Dear Parents/Carers,

The Reception Team have invested a lot of time and money developing the outside area over the past few weeks. We were very upset to discover that our new garden area has been ruined by children standing on the flowers. Can we please remind you to supervise your children at all times before and after school. Nothing in the reception outside area should be played with during these times. The Woodland Towers are available for children to play on, with supervision after school.

Thank you for your support in this matter.

Reception Team
