Core Values

Dear Parent/Carer,

Core values are the values that are at the heart of St Michael's school, they are values that we believe are important for the children to experience and learn in order to help shape and build their character and serve them in their adult life.

St Michael's has been through a period of change and as we grow it is necessary to review and reassess our values. It is important that we collect as many opinions as possible in deciding what these should be. Staff along with governors have been involved in a series of meetings to start this process and it is now necessary to involve parents and carers. We would be grateful if you could spend a few moments reading the descriptions that follow and reflecting on what you personally think are important values for your child to hold.

We would like to have three main values and so far we are unanimous in the decision that respect should be a core value. Please show how strongly you agree with this.

Respect

Valuing each other and
celebrating our differences.

Disagree 1 2 3 4 5 Strongly agree
