## Core Values

Dear Parent/Carer

Thank you for your support in helping us decide our new Core Values. We had a good response and have put together the opinions of parents, staff, governors and children.

Supporting our motto, which remains 'Be the best you can be', the new Core Values are:

PEACE, having openness and understanding so that people can live life to the full.

COURAGE, enduring in our commitment to what is right and true and not giving in to discouragement.

RESPECT, valuing each other and celebrating our differences.

Today the children have had the chance to explore the meanings of these words and link them to bible stories. They have begun to think about how they can demonstrate these qualities in their own lives and what impact this will have. As a school we are now working on definitions for these values that are specific to our school and the people in it.

Yours faithfully

C Boyes  
Assistant Head Teacher
