Dear Parents/ Carers

This school year has had a particularly long spring term and I would like to say how pleased I have been with the children for sustaining their effort and hard work to the very end of the term. This term is the time of year we notice a lot of progress for children, and looking through books this week, I can see that the boys and girls have acquitted themselves very well in this regard. It is great to see their growth mind-sets having a positive impact upon their learning – hard work and sustained effort can help each one of us improve.

As we approach the Easter break, I would like to take this opportunity to wish you a happy and restful holiday. The children have most certainly earned their rest, so enjoy your time together as a family and I look forward to welcoming everyone back at the start of the summer term.

### **KEEPING CHILDREN SAFE IN EDUCATION**

You will find a 'Keeping Children Safe in education' leaflet in your child's book bag today.

This has been produced by Bournemouth and Poole Local Safeguarding Children Board.

It contains some useful information about what to do if you have any safeguarding concerns about your child or any other child.

***The Safeguarding Lead at St Michael's CE Primary School is Mr Wills  
and the Deputy Safeguarding Leads are Mr Kennedy and Mrs Goodall.***

We have received a letter from Coles Miller Solicitors whose offices are located at the corner of Somerville Road and Durley Chine Road. They are very concerned about our parents and children taking shortcuts both by foot and by car through their car park/drive which is unsafe and dangerous. The car park is on private property and not a public right of way. Please respect our neighbours and keep to the public footpaths around the school.

We raised £727.65! A big Thank You to everyone who took part and for all the generous donations. We had a really fun day in school, dressed up in red and sharing our favourite jokes! Please visit the school website to see a selection of these:

### The Big Bounce

We raised an incredible £1,221.32!  
Thank you to all the children who bounced and to everyone who sponsored them.

### Charge for Children dropped off in the Playground before 8:10am

No child should be dropped off in the playground before **8:10am**. After this time a member of staff goes out on duty and can supervise the children. Any child found on their own before this time will be brought in to Breakfast Club and a charge of £2 will be made. This is for the Safety of your child.

### Charge for Late Collection of Children

We are able to accommodate bookings in after school club as late as 2:45pm on the day. Please be aware that any children who are not collected at the end of the day will be placed in an available club and this will incur an additional charge of £5 on top of the charge for the club.
