7 September 2017

Dear Parents and Carers,

We hope that you have had an enjoyable summer break. Next week, as part of our hook day (**Tuesday 12th September**), we will have a visiting planetarium in school. All the children, in Year 5, will get the opportunity to experience and learn about the Solar System and the Universe.

In addition to the planetarium experience, the children will also design and make a model related to the topic. This will require an empty plastic bottle to be brought into school.

Costs

We will be asking for a voluntary contribution of **£3.50** towards the cost of this event. Children will not be treated differently according to whether or not their parents have made a contribution, however the activities may not be able to take place if there are insufficient funds to cover the cost. We would like you to use WisePay to make your contribution, for which there is a link on our website. If you cannot make a payment using WisePay, please speak to your child's class teacher so we can make alternative arrangements.

Kind regards

The Year 5 Team

Mrs Stanciu, Mr Clark, Miss Cann and Mrs Casson
