July 2017

Dear Parent/Carer,

After the Summer break, we are aiming to take the children to the Cranborne Ancient Technology Centre. This is a super opportunity for them to learn about the Vikings, which is our Autumn topic. They will get the opportunity to see an authentic longhouse as well as hands-on activities using traditional methods used at the time of the Viking invasion of Britain.

### Payments

As we are planning to take the children in the first two weeks of the new term, we are requesting a contribution of £15 now so that you are able to send the payment into school at the beginning of the school year. This payment covers the entrance to Cranborne and the activities that are led by their experts, as well as transport costs.

**For us to be able to secure the bookings for Cranborne Ancient Technology Centre, we would really appreciate the voluntary contribution of £15 to be made on the first Friday of the new term: Friday 8<sup>th</sup> of September.**

Please come and speak to a member of the Year 6 team if you have any questions or concerns. We would like you to use WisePay to make your contribution, for which there is a link on our website. If you cannot make a payment using WisePay, please speak to the office staff so we can make alternative arrangements. Children will not be treated differently according to whether or not their parents have made a contribution, however the activity may not be able to take place if there are insufficient funds to cover the costs.

Kind regards,

Debbie Brookman Emma Brown Jay Short
