29th March 2018

Dear Parent/Carer,

In May, we plan to take the Year 5 children to Blashford Lakes as part of our study on life cycles. We will be taking part in activities that are focussed on life cycles in different environments, including the forest, the river and the pond. We would like the children to wear sensible clothes and footwear. Depending on the weather, the children may need to bring a waterproof coat and wellies or a sunhat and apply sun-cream in the morning. The children will need to bring a packed lunch with them in a rucksack, unless school lunches have been ordered as then the caterers will provide a packed lunch. Please make sure your child has a named water bottle with them.

Dates:

5MC – Tuesday 15th May 2018

5LC – Thursday 17th May 2018

5SS – Friday 18th May 2018

Costs

We will be asking for a voluntary contribution of **£7 towards the cost of this trip**. This will pay for the cost of the activities, which will be led by staff from the education centre. Children will not be treated differently according to whether or not their parents have made a contribution, however the activity may not be able to take place if there are insufficient funds to cover the costs. We would like you to use WisePay to make your contribution, for which there is a link on our website. If you cannot make a payment using WisePay, please speak to your child's class teacher so we can make alternative arrangements.

To confirm our booking, we will need to receive voluntary contributions by Friday 27th April.

We are always delighted for parents to join us on school trips. Therefore, please let us know if you are available to help on this trip.

Yours faithfully

The Year 5 Team.
