Friday 4th May 2018

Dear Parents and Carers of children in Year 5,

On the afternoon of Thursday 24th May, the children will have a talk about puberty and their changing body, as part of our Science curriculum.

The boys and girls will be spoken to separately about this and will be given opportunities to ask questions in a group setting or through anonymous letters.

This is an important opportunity for the children to learn about their personal development. Please support them with any questions they may have.

Thank you for your continuing support,

The Year Five Team
